

FIG. 1

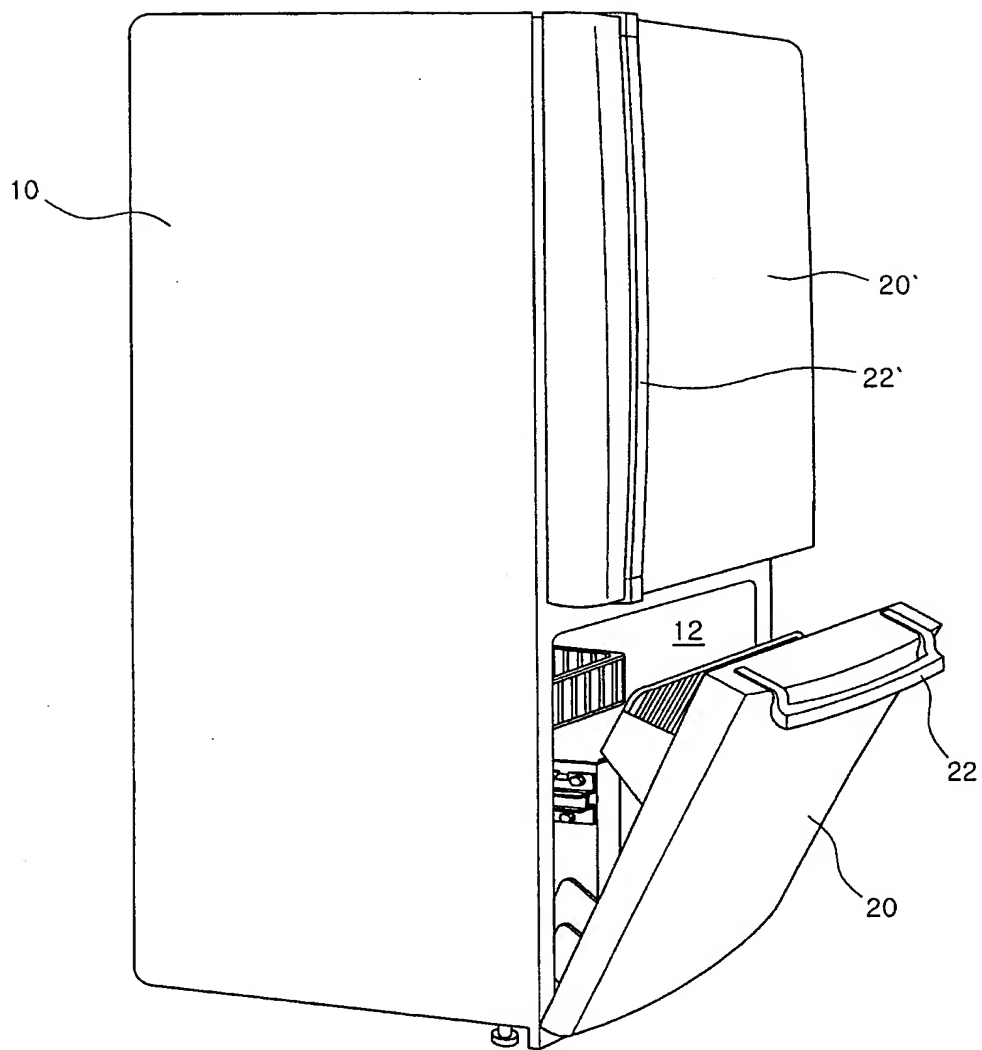

FIG. 1 is a perspective view of a storage cabinet 10 with a door 20' open. A sliding shelf assembly 20 is shown in a partially extended position. The assembly includes a shelf 22 supported by a track 26. A front panel 30 is attached to the shelf 22 via a hinge 28. A support bracket 33 is mounted to the cabinet interior, and a stop 34 is located at the end of the track. A label 12 is visible on the cabinet interior.
